

## Volunteers clean up Topsfield Rail Trail site

COURTESY PHOTO BY MARGARET PARKHURST

**Topsfield Rail Trail Committee members spent some of last Sunday cleaning up a section of the abandoned rail bed that they hope will one day become a trail used for passive recreation. For more than a year volunteers have cut brush and mowed the trail to make it an enjoyable experience for all. Among those helping out last Sunday were, from left to right, Bruce Davidson, Katherine Carlson, Joe Geller and Pat Carroll.**
